K-12 SCHOOL DISTRICT NO. 52 (ENNIS)
MADISON COUNTY, MONTANA

SCHOOL BOND ELECTION TO BE CONDUCTED
BY MAIL BALLOT ON FEBRUARY 8, 2022

INSTRUCTIONS TO VOTERS: Completely fill in the oval using a blue or black ink pen before the words "BONDS—YES" if you wish to vote for the bond issue; if you are opposed to the bond issue, completely fill in the oval using a blue or black ink pen before the words "BONDS—NO."

Shall the Board of Trustees of K-12 School District No. 52 (Ennis), Madison County, Montana (the "District") be authorized to sell and issue general obligation bonds of the District in one or more series in the aggregate principal amount of up to Fifty-Nine Million and No/100 Dollars ($59,000,000.00), bearing interest at rates to be determined at the time of the sale, payable semiannually, during a term as to each series of bonds of not more than twenty (20) years, for the purpose of accommodating student enrollment in the District by providing funds to pay the costs of designing, constructing, renovating, equipping, and furnishing improvements to the Ennis school facilities and grounds, to include: replacing the existing high school building with a new junior high school and high school building to include a secure entry, classrooms, shared common space, a library, music and art spaces, a new high school gymnasium, weight and fitness rooms, locker rooms, a vo-tech shop and associated spaces, administration offices, and storage and support spaces; renovating the current high school gymnasium and locker rooms for use by the junior high school, upgrading fire alarm and suppression systems, and replacing some or all of the roof; repurposing the existing junior high school wing into elementary classrooms and other instructional spaces, altering the existing junior high wing heating system, improving the existing elementary gymnasium and stage area, and improving existing electrical, data, technology, and security systems; making associated school facility site improvements, such as roads, drop-off and pick-up areas, parking lots, and playing fields; on the bus-barn property north of the main campus, installing new track and field improvements and outdoor courts, constructing associated concessions, changing rooms, and restrooms, installing utilities and making related site improvements, such as parking; if bond proceeds are available after paying for the foregoing improvements, providing additional staff housing; related costs and improvements; and paying costs associated with the sale and issuance of the bonds?

If the above proposition passes and the bonds are issued in one series in the total principal amount of $59,000,000 for a 20-year term, it is estimated based on the current taxable value of the District that the property taxes on a home with an assessed market value for tax purposes of $100,000 would increase by $33.14 per year, on a home with an assessed market value for tax purposes of $200,000 would increase by $66.28 per year, and on a home with an assessed market value for tax purposes of $344,000 (the median value of a home in the District) would increase by $114.00 per year.
