Grant Funds:

Discussion occurred about getting the needed permitting in place for the proposed project. A meeting was held on-site. Permitting is being submitted for consideration.

NRCS

Diane stated that they are only working one at a time in the office at this time. The other part of their time is working at home. That being said, Diane stated that they do have several projects going on that are being presented for funding. Diane is still working towards getting something submitted for the local workgroup priorities. It was noted that the Board agreed to have Kris try to set up the next meeting

at the USDA building and if that works, the Board will work with Diane to have a local workgroup meeting on the same day as the board meeting in June.

Supervisor's Reports:

No reports were given at this time.

Correspondence:

MACD/DNRC/Western Governor's Report:

Updates and information from these organizations were copied and submitted for the Supervisor's consideration.

There being no further business the meeting adjourned.

Respectfully Submitted by,

Kris Hugulet, District Administrator
