The Time of Our Lives by Tom Brokaw

Horses Never Lie About Love

by Jana Harris

Expansion Update

The Thompson–Hickman County Library Needs Your Help!

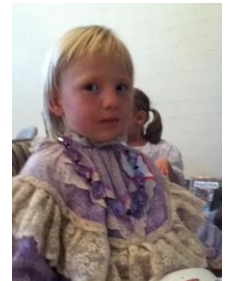

Why propose a new addition?

- *Built in 1918, the current structure has very limited space for books, media and archival research, and is unsafe when crowded beyond capacity
- *Maintaining historical integrity while building ADA restrooms would be difficult
- *The computer and multi-media electrical systems need to be expanded
- *The existing archive room is too small and has no environmental control systems
- *Space is also inadequate for the Children's Reading Program & Elementary Library Education Days

The proposed new addition will include:

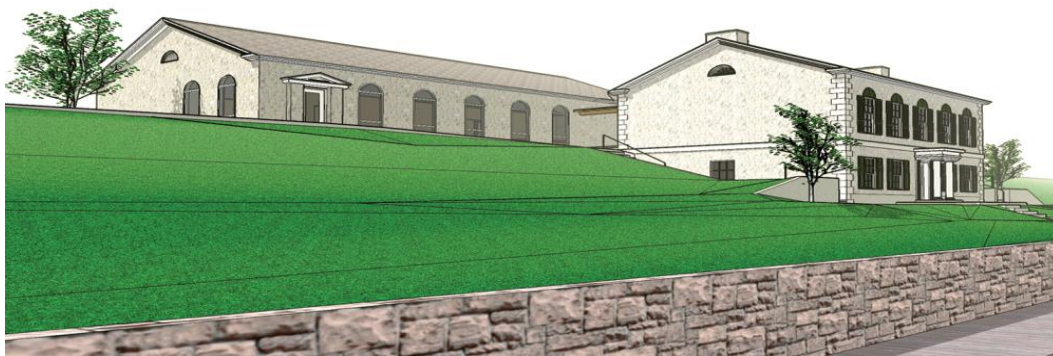

- *New Children's book and learning area
- *New climate controlled basement for all county records & archives
- *New state of the art meeting & classroom
- *Two new ADA compliant restrooms
- *Energy conserving building components
- *The addition is designed to complement the architecture of the original building and has been approved by Shipo

We had a successful fundraiser at the Virginia City Community Center on October 22nd, thanks to Annaliese Smail and Jewelry by Park Lane!

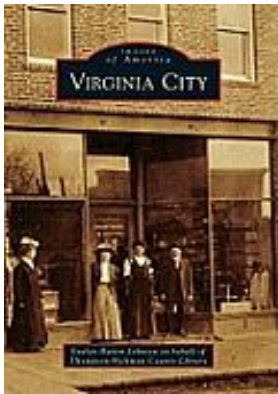

We are getting closer to our goal, but still need help!

*We want to build this addition without using taxpayer money! Please help us reach our goal by sending **donations** to: 217 Idaho St. PO Box 128 Virginia City, MT 59755
Make checks payable to: Pace Archives/Thompson Hickman Library*

Books for Sale:
